

BLESSING FOR A WORKER

The JOY of work is the one thing most likely to keep a child from spending even one day in prison or jail. **Whistling (or playing music) while you work TOGETHER is the shortest path to creating that joy.** Spending a few minutes a day cleaning TOGETHER can be the wisest parent child time anyone could hope for.

When the child really doesn't FEEL like doing a good job try recreating the mood by using this blessing. The joy of work can be one of the greatest joys of all. It can also take our minds off the past and prepare the way for the future.

BLESSING FOR A WORKER

Lord of life bless this child with a servants heart and a certain knowledge that serving you is the path to eternal greatness. Open h__ eyes to see the NEEDS of those around h__ and strengthen h__ hands to meet those needs. When she really doesn't feel like doing the job enrich h__ with a special joy...joy enough to do a good job for joy is the coin you pay the ones who work for you. Pour your spirit on h__ so _he understands what it is to serve in your strength and not h__ own. May _he hear your voice at the end of each task speaking in h__ heart: "Well done thy good and faithful servant."

I will show you my faith by what I do. James 2:18
